# BETTER TOGETHER

Towards a new cooperation portfolio for defense

HCSS helps governments, non-governmental organizations and the private sector to understand the fast-changing environment and seeks to anticipate the challenges of the future with practical policy solutions and advice.

This report is from the HCSS theme SECURITY. Our other themes are RESOURCES and GLOBAL TRENDS.

## SECURITY

HCSS identifies and analyzes the developments that shape our security environment. We show the intricate and dynamic relations between political, military, economic, social, environmental, and technological drivers that shape policy space. Our strengths are a unique methodological base, deep domain knowledge and an extensive international network of partners.

HCSS assists in formulating and evaluating policy options on the basis of an integrated approach to security challenges and security solutions.
